

Cottonwood Canyons Foundation

Job Announcement:

2008 Silver Lake Naturalist

Description:

The Cottonwood Canyons Foundation is a nonprofit organization with a mission of "Working to maintain and improve the environmental health of Big and Little Cottonwood Canyon through public education and stewardship." Our core partners include the Wasatch-Cache National Forest, Stoel Rives, Alta, Brighton, Snowbird, Solitude and the Salt Lake City Department of Public Utilities.

The Cottonwood Canyons Foundation has an active education program each summer and fall that informally engages the general public through walks, talks, fieldtrips and interpretive displays. The Silver Lake Naturalist will work with volunteers and staff to schedule, lead and plan educational programs (field trips, wildflower walks, night hikes, etc.)

This position is full-time, begins late May to early June and has the potential to last through September.

Major Duties:

1. Assist general public at Silver Lake Nature Center and the Public Lands Information Center
2. Coordinate and manage organization's volunteer naturalists
3. Lead interpretive walks and talks
4. Create interpretive displays as needed
5. Assist with planning of events, festivals and other activities
6. Assist with other Cottonwood Canyon Foundation programs as needed

This is a fun job!

Qualifications:

1. Familiarity with natural history of Wasatch Mountains
2. Proven experience working with and leading groups, volunteers and the public
3. Must have reliable personal transportation (automobile)
4. Must be able to work weekends (Saturdays and Sundays), evenings and holidays
5. Able to work June through September as needed
6. Self starters that thrive in low supervision environment preferred
7. Preference given to UCEE certified candidates

Compensation:

\$10.00 / hour
